Nawan shehr, ABBOTTABAD

EDUCATION

COMSATS University Islamabad, BS Software Engineering

Abbottabad Campus

2021 > 2025

Completed BS in Software Engineering (2021–2025) at COMSATS University Islamabad, Abbottabad Campus, gaining strong expertise in software development, databases, and full-stack web applications. Applied concepts through projects like an Employee Management System, E-commerce Shopping Cart, and responsive web applications.

PROFILE

Full Stack Developer skilled in building responsive front-end interfaces and scalable back-end systems using modern technologies. Passionate about clean code, problem-solving, and delivering high-quality applications.

Skilled in front-end development with **HTML, CSS, JavaScript, React**, and back-end technologies like **Node.js, Express, and Django**. Experienced in working with **databases** (MySQL, MongoDB), **cloud tools** (AWS, Docker), and proficient in **Git, REST APIs, and Agile practices**.

EXPERIENCE

Toyota Rawal Motors

2025

Software Engineering Intern

- ✓ Assisted in the development and maintenance of **internal management systems**, improving efficiency in day-to-day operations.
- ✓ Gained hands-on experience with **databases, reporting tools, and software documentation**.
- ✓ Learned professional practices in a **corporate IT environment**, including teamwork, time management, and client-focused problem-solving.

Software House, Abbottabad

2023 – 2024

Front-End Developer

- ✓ Designed and developed **modern, responsive user interfaces** using React.js, JavaScript, and CSS.
- ✓ Improved **cross-browser compatibility and mobile responsiveness**, enhancing user experience.
- ✓ Collaborated with back-end developers to integrate **REST APIs** and optimize data flow.
